sumptibus authoris.

MDCXX.

Cum privilegio superiorum.

NOBILI ET MAGNIFICO VIRO AC DOMINO, GEORGIO VOLCAMERO,

Inclytæ Reipub. Norimb. IIviro vigilantissimo &c. Suo, Musarumq; Patrono humili observantia colendo.

Salutem & officia.

NObilis & Magnifice vir, Domine ac patrone æternùm mihi venerande. Quòd ingens miseriarum moles, & gravissimum sanè jugum omnibus, ex Adamo progenitis, à die eorum egressionis ex suæ cujusq; matris utero, usq; ad diem reversionis in terram, magnam illam omnium parentem, sint imposita, non modo propter infinitum imbecillitatum & morborum numerum, quibus in hac miseriarum valle subjecti sumus, oportet fateamur: sed & insuper, quod persecutioni, calumniæ, odio & Invidiæ, ceterisq; multifariis ejusdem generis procellis (quæ tamen omnia ab Altissimo, ut animarum nostrarum saluti inserviant, nobis injunguntur) quolibet die, quâlibet horâ, imo quolibet momento sumus obnoxij, abundè edocemur. Cujus rei exemplum etiam ex me capio, contra quem ante paucos annos, terribiles simultatum atq; inimicitiarum fluctus, adversariis quibusdam meis instigantibus commoti, insurgebant; adeo, ut parum aberat, quin meæ salutis navicula illis obruta, & tota fuisset submersa. Quandoquidem, qui manu subveniret auxiliari, inveniebam neminem: donec tamdem in amœnissimum Sacrosanctæ scripturæ hortum exspatiatus, omnis generis fragrantissimos ibidem colligebam flosculos, ex illisq; confectum sertulum perturbato meo adhibebam animo: inprimis verò ex divinis Regij Prophetæ psalmis, qui me nimium quantum recreârunt. Unde successu etiam temporis nata mihi præsens sacrorum hymnorum congeries, quam Magnif. & Ampl. Vestræ cum debita animi devotione, jam offero. Et quamvis quod

Nomini ejus hoc leve & breve cantionum mearum opusculum dedicare, subq; Ipsius patrocinio & tutela in lucem emittere fuerim ausus, à non-nullis sinistrè possit interpretari: nec tamen desistere ab hoc meo proposito, tribus potissimum de causis, potui, nec volui.

Et primò quidem, quia Magnif. & Ampl. vestra non tantùm singulari amore atq; favore nobilissimam Musices scientiam prosequatur; sed & modis omnibus Illam promotam cupiat; imo non raro animum, gravioribus Reipub. caussa exantlatis laboribus lassum, mirificè illâ reficiat.

Deinde, quoniam, quotiescunq; præstantissimorum etiam Musicorum cantilenis, meæ quoq;, quamvis jejunæ ac steriles, intermiscebantur, hasce præ reliquis Magnif. & Ampl. Vestram, præter omnem quidem spem meam, non solùm (præfiscine!) adprobasse, sed & ijsdem delectatam fuisse quàm maximè, haud obscurè intellexerim.

Quibus tamdem accedunt summa illa in me collata, sæpiusq; iterata beneficia ita ut etiam, cui promotionem meam, functionemq; adeo honestam, acceptam referam, nullum (si DEUM excipias) quam Vestram illam Magnificentiam reperiam. Accipiat igitur hasce ob caussas & boni consulat hancé meam qualemcunq; Lucubratiunculam, & uti hactenus, citra quidem meritum meum, ita in posterum quoq; sibi me habeat commendatissimum: mihiq; suo clientulo, sub favoris sui clypeo crescendi det copiam: firmiter credens, quòd, ut DEUS ter optimus & ter maximus Illam Ecclesiæ, Reipub. bonisq; omnibus, qua animâ quà corpore salvam & incolumem, ad altos Periclis annos conservare velit, noctesq; diesq; vota fundere numquam sim intermissurus. Dab. Norimb. die XV. Maij Anni, à nato Salvatore supra millesimum, & sexcentesimum, vicesimi.

Magnif.ᵃᵉ & Ampl. V.ʳᵃᵉ

Observantissimus

Valentinus Dretzel, Ibidem
ad Divi Laurentij Organicus.

INDEX

INDEX
SACRARUM CANTIONUM, QUÆ in hoc opere continentur.

QUATUOR VOCUM.

I. INcipite Domino.
